**HOSPITAL ADMISSIONS FOR HAIR
TRANSPLANTATION**

Hospital admissions are not needed for hair transplantation patients. Local patients may go home immediately after surgery. Out station, patients may stay in a friend's or relative's house or nearby hotel. Our staff will be happy to arrange a hotel for you if you desire. If any one desires, admissions can be done at local reputed hospitals for the night after surgery at a reasonable price. One-day stay in a private room (A/C single room with TV) is around 2500 Rs (the same as it would in a budget hotel). This is particularly relevant and useful for outstation patients.
